

Mission Life Introduces IDEAS4LiFE Lifestyle for Environment

Identifying challenges and finding solutions for promoting behavioural changes toward pro-planet actions.
Empowering Pro-Planet Actions

About Ideas4Life

**(An Initiative By Ministry of Environment,
Forest and Climate Change)**

Call for ideas on seven themes of LiFE for young minds (students), research scholars/faculty members and other associated with Indian Institute of Technologies (IITs), Indian Institute of Managements (IIMs), National Law Schools, other universities and colleges across the country to synergize and mainstream innovation and technological efforts towards sustainable lifestyles.

The deadline for submitting
your solutions on the portal is

October 15, 2024

Mission LiFE Themes

Save Water

Adopt Sustainable
Food Systems

Reduce E-waste

Save Energy

Reduce Waste

Adopt Healthy
Lifestyles

Say No to Single
Use Plastic

Submission process

Simple idea  submission
process

1. Design

Identify your problem statement and come up with an idea to solve it.

2. Planning

Create a simple paper prototype and list the key project elements.

3. Development

Bring your idea to life by creating a tangible model/working prototype that demonstrates its effectiveness.
